

Embassy Theatre Study Trips **COMMITMENT TO COMMUNITY**

Pre-trip discussion ideas:

1. What is a citizen? What is a good citizen?
2. What things do citizens do that help the community?
3. What is a volunteer?
4. What tasks have you ever volunteered to do?

Pre-trip activity:

1. The teacher brings in an item of some value that is worn, broken, or in need of repair.
2. Ask the students what should/could be done with it.
(Throw it away? Fix it? Sell it? Give it away? Keep it?)
3. What would be the costs and benefits of each action?
4. After discussing that item, change the discussion by asking;
What if it were a beautiful building that was in terrible condition? What should be done?
Who should do it?
Who should pay for it?
5. Do you own something that you think is important or valuable but other people don't?
 - What could you say to change their minds?
 - What makes your item valuable?
 - How could you keep it from losing its value?

- Give each child an index card with the vocabulary word on it.
- Ask the child to illustrate the word using the blank card.
- The child should NOT write the word on the illustration.
- Put the students into groups of 4-8.
- Have them stack the word cards face down in the center of the group.
- Spread out the illustrated cards turned face up.
- Each child should draw a word card from the stack and try to match it to an illustration.
- Continue until all are matched.
- Give each student an illustration card and the matching word card that was not the one he/she created.
- Ask students to write one good sentence using the new word.

2. Person, Place, or Thing

You may use the grid on regular sized paper, enlarge it, or use the blackboard or chart paper to meet your classroom needs. The basic idea is the same for any sized group.

- The letters from the word EMBASSY are down the side.
- Students should first use the vocabulary words to fill in the blanks in each category.
- The words in each row should start with the same letter as the first box in the row.
In other words, next to the E students should find a word that is a person, one that is a place, and one that is a thing that begins with the letter E.
- Continue for all of the letters.
- After the vocabulary words have been used, students may begin to think of other words to use.
